K-Power is a new, exciting program designed to enhance children's learning for Kindergarten.

Small groups allow more individualized assessment and attention. The K-Power curriculum is designed to focus on specific skills that will give them confidence and success in Kindergarten.

A K-Power day allows for a mix of sensory approaches and activities.

A typical K-Power day might look like this:

| | |
|---------------|--|
| 11:45 – 12:15 | Gather, discuss day's plans, and lunch |
| 12:15 – 12:30 | Recess/gross motor activity |
| 12:30 – 1:00 | First core skill activity |
| 1:00 – 1:30 | Skill centers |
| 1:30 – 2:00 | Circle/story time |
| 2:00 – 2:30 | Second core skill activity |
| 2:30 – 3:00 | Day's review and dismissal |

All curriculum materials, including individual student workbooks, are included in the K-Power tuition.
